CLEANING PRODUCTS ENGINEERED FOR STRENGTH, SAFETY AND VERSATILITY

A photograph of a fleet of red commercial trucks, likely dump trucks, parked in a lot. The focus is on the front grille and hood of the truck in the foreground, with other trucks visible in the background. The lighting is bright, suggesting a sunny day.

FLEET MAINTENANCE

INDUSTRIAL CLEANING SOLUTIONS

VEHICLE CLEANING

LOOK FOR THESE FEATURES:

- Non-Corrosive
- Non-Flammable
- Readily Biodegradable
- Non-Caustic
- Orally Non-Toxic
- Unscented

EXTREME SIMPLE GREEN® AIRCRAFT & PRECISION CLEANER

Breakthrough formula cleans and degreases without corrosive chemicals. Combined high soil capacity, superior grease-cutting ability and clean rinsing formula prevents the redeposition of soils for fast, effective cleaning. Safe for use on aluminum, carbon fiber, high tech alloys, structural metals, paints, protective coatings and more. Rinse waste can be handled by standard waste water treatment methods, helping reduce disposal costs

Heavy & Medium Duty Trucks

Fast, effective and high precision cleaning with no harm to structural metals, plastics, paints, or coatings

Moving/Stock Freight/Mail

Safe for use on: Plastic bins, ramps trailers, tow dollies, trailers, hand trucks, furniture pads, shelving/divides, fabric storage bags, metal bins & more

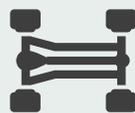

Tow Trucks/Flatbed

Superior grease-cutting ability and clean-rinsing ensures fast precision cleaning of frame forks, wheel lifts, booms and hydraulics

Taxis/Rental Cars/Delivery

High performance cleaning power easily cuts through grease, oils, sticky residue on vehicle seats and interiors

Underbody Surfaces

Safely removes highly-corrosive calcium chloride and magnesium chloride used to treat roads, for cost-saving preventative maintenance

Food Storage Tankers

CRYSTAL SIMPLE GREEN® INDUSTRIAL CLEANER & DEGREASER

Powerful cleaner & degreaser easily cuts through tough grease, oils, built-up grime and other residue without harsh or volatile chemicals. It can be used manually or with a variety of cleaning equipment including floor scrubbers, pressure washers, foamers, parts washers and more. NSF rated for use on surfaces in and around food processing, handling and transport areas.

- Non-toxic, biodegradable formula is VOC compliant, butyl-free and phosphate-free
- NSF registered A1, A2, A4, A8, B1 and C1

Refrigerated Freight

SIMPLE GREEN® FOAMING COIL CLEANER

- Non-corrosive and non-flammable
- Quickly penetrates to remove the dirt, grease and grime that can cause clogs, impede heat transfer or otherwise keep equipment from optimum performance
- Self-rinsing on condensate-producing coils making application quick and simple

All Vehicles

SIMPLE GREEN® VEHICLE WASH

- Plant-based formula is clean-rinsing
- Easily cuts through tough road grime and brake dust on vehicle paint, stainless steel, glass and rubber
- Biodegradable formula allows grease and oil to break back out of the solution, making it ideal for entry into oil/water separators and clarifier equipment

VEHICLE INTERIORS

LOOK FOR THESE FEATURES:

- Orally Non-Toxic
- EPA Registered
- Disinfecting
- Readily Biodegradable

CRYSTAL SIMPLE GREEN® INDUSTRIAL CLEANER & DEGREASER

Interior Dash/Center Console

- Easily removes tough grime and grease from plastic, rubber and more on dashboards, center consoles, runners, door handles and toolboxes
- Powerful enough for intense grime, while gentle enough for regular cleaning maintenance

Carpet/Upholstery/Headliner/Seat Covers

- Cuts through tough tracked-in grease, oils, built-up grime and residue in cab interior, on upholstery, seat covers and headliners

SIMPLE GREEN D PRO 5® ONE-STEP GERMICIDAL CLEANER & DEODORANT

Sleeper Cab

EPA registered, color & scent free disinfectant ideal for use on upholstery, vinyl and plastic in taxis and emergency vehicles

- One-Step Disinfectant
- Sanitizer • Fungicide • Mildewstat • Virucide* • Deodorizer
- Simple Green d Pro 5 kills Pandemic 2009 H1N1 influenza virus (formerly called swine flu)

*Kills HIV and HBV and HCV on pre-cleaned environmental surfaces/objects previously soiled with blood/body fluids

SIMPLE GREEN® HAND CLEANER GEL

Glove Compartment

- Small sizes travel well, with no need for water
- Easy on hands and deodorizes as it removes grease, grime, dirt, oil, wet paint, tar, soot, carbon and more
- Non-citrus formula does not contain d'Limonene

SIMPLE GREEN® SAFETY TOWELS

Glove Compartment

- Durable, dual-sided wipes feature a scouring side for tough scrubbing and a smooth side for a non-abrasive, lint-free shine
- Excellent wicking and fluid holding capacity

REPAIR BAYS

LOOK FOR THESE FEATURES:

- Non-Corrosive
- Clean-Rinsing
- PPE Not Required
- Non-Caustic
- Non-Abrasive

EXTREME SIMPLE GREEN® AIRCRAFT & PRECISION CLEANER

Breakthrough formula cleans and degreases without corrosive chemicals. Combined high soil capacity, superior grease-cutting ability and clean rinsing formula prevents the redeposition of soils for fast, effective cleaning.

REMOVES:

- Greases
- Heavy Residues
- Oils
- Tar
- Hydraulic Fluids

SAFE FOR USE ON:

- Metals
- Hoses
- Paints
- Protective Coatings
- Plastics
- *and more...*
- Rubber Seals

Light Duty Repair

- Non-caustic formula cuts through automotive oils, fluids, lube and coolants on a wide variety of surfaces
- Cleans and maintains belts, hoses and seals without risk of hydrogen embrittlement
- Cuts through built-up grease, oil and more on vehicle lifts, hoists, oil change racks, hydraulic hoses & equipment

Heavy Duty Repair

- Removes heavy grease and other build-up in engines
- Non-corrosive formula is safe for use on aluminum, carbon fiber, high-tech alloys and structural metals
- Has no reagents that can cause rust within the fluid when cleaning hoses and lines

WELDING

LOOK FOR THESE FEATURES:

- Non-Flammable
- Non-Hazardous
- Non-Corrosive
- Clean-Rinsing

SIMPLE GREEN® ANTI-SPATTER

High-performance silicone and solvent-free spatter release formula formulated specifically for the welding industry. Easy spray-on formula is clean-rinsing, and reduces time-consuming spatter removal that can cause inconvenient and costly downtime.

- Keeps nozzles, diffusers, tips and shrouds clear of spatter build-up and obstruction for welding
- Protects welding equipment, welding tables and other work surfaces from unwanted spatter
- Safe for painted and plated metals, aluminum, steel and other metal surfaces
- Does not contain Methylene Chloride, solvents or silicone

SIMPLE GREEN® ANTI-SPATTER READY-TO-USE TRIGGER

- Easy spray-on solvent-free spatter release solution
- Safe for use on aluminum and steel nozzles, diffusers, tips and other surfaces adjacent to welding
- Protects vices, pliers and other tools from damage

EXTREME SIMPLE GREEN®

- Removes residue prior to welding & metalwork
- Safe for entrance into oil/ water separators and clarifiers

SIMPLE GREEN SAFETY TOWELS®

- Ideal for quick wipe down of welding helmets, clamps and hand tools
- Safe for use on metals, rubber, concrete and more

PAINT PREP

LOOK FOR THESE FEATURES:

- Non-Flammable
- Non-Hazardous
- Orally Non-Toxic
- Non-Corrosive
- Non-Caustic
- Readily Biodegradable

EXTREME SIMPLE GREEN® AIRCRAFT & PRECISION CLEANER

Clean-rinsing formula ideal for preparing metals for powder coating, painting or production. Cost-effective concentrate can be used manually or with cleaning equipment.

- Eliminates grease and oils that cause paint bubbling and cracking
- Petroleum-distillate free
- Will not harm structural metal, plastic parts or painted surfaces
- Safe for entrance into oil/water separators and clarifiers

SIMPLE GREEN® SAFETY TOWELS

- Quickly removes dirt, grease, soot and more from tools and machinery
- Pre-moistened with non-toxic and readily biodegradable Crystal Simple Green for powerful cleaning and degreasing
- Dual-sided wipes feature a non-abrasive scouring side for scrubbing off built-up grime

SIMPLE GREEN® HAND CLEANER GEL

- Removes grease, grime, dirt, oil, wet paint, tar, soot, carbon and more with natural pumice to enhance cleaning without intense scrubbing
- Contains no ammonia which can irritate and sting cuts and abrasions
- Requires no water or rinsing
- No greasy film, sticky residue or dry feel
- Non-citrus formula does not contain d'Limonene

PARTS WASHING

LOOK FOR THESE FEATURES:

- Non-Corrosive
- Clean-Rinsing
- Non-Caustic
- Non-Flammable
- Readily Biodegradable
- Unscented
- VOC-Compliant

EXTREME SIMPLE GREEN® AIRCRAFT & PRECISION CLEANER

Versatile concentrate is ideal for heavy duty cleaning of machinery, tools, equipment and floors, as well as high precision cleaning. Combined high soil capacity, superior grease-cutting ability and clean rinsing formula prevents the redeposition of soils, ensuring fast, effective cleaning. Quick-break ability allows disposal by standard wastewater treatment methods.

- Non-corrosive formula battles corrosion and hydrogen embrittlement during cleaning
- Ideal for hand tools, cutting tools, power transmission equipment and rubber products
- No reagents that oxidize finishes, cause rust within the fluid or degrade plastics
- Safer alternative to caustic cleaning solvents
- Readily biodegradable

REMOVES:

- Metalworking fluids
- Cutting oils
- Tar
- Lubricants
- Greases
- Hydraulic fluids
- Process oils
- Heavy residues

SAFE FOR USE ON:

- Metals
- Machinery
- Paints
- Engines
- Plastics
- *and more...*
- Protective coatings

CRYSTAL SIMPLE GREEN® INDUSTRIAL CLEANER & DEGREASER

Powerful, industrial-strength cleaner and degreaser that easily cuts through tough grease, oils, built-up grime and other residue without harsh or volatile chemicals. Crystal Simple Green is also NSF rated for use on surfaces in and around food processing, handling and transport areas.

- NSF registered A1, A2, A4, A8, B1 and C1
- Orally non-toxic
- Non-flammable
- Readily biodegradable
- Clean-rinsing

FOR FACILITIES REQUIRING:

- NSF registered cleaners/degreasers
- Lower alkaline pH than caustics
- VOC compliant cleaning

FLOOR SCRUBBING

LOOK FOR THESE FEATURES:

- Non-Corrosive
- Orally Non-Toxic
- Unscented / Scented
- Non-Abrasive
- Readily Biodegradable
- NSF Rating
- Clean Rinsing

EXTREME SIMPLE GREEN® AIRCRAFT & PRECISION CLEANER

Cost-effective, non-corrosive concentrate can be used manually or with floor scrubbing equipment. High performance cleaning power designed to remove heavy residues, metalworking fluids, tar, greases, process oils, cutting oils, lubricants and hydraulic fluids. Quick-break technology allows it to be disposed in standard wastewater treatment methods.

- High soil capacity, superior grease cutting and clean rinsing formula ensures fast and effective cleaning
- Petroleum-distillate free
- Safe for use in floor scrubbers
- Safe for entrance into oil/water separators and clarifiers

CRYSTAL SIMPLE GREEN® INDUSTRIAL CLEANER & DEGREASER

NSF registered industrial-strength cleaner and degreaser formulated for critical cleaning applications that demand high performance from a fragrance and color-free solution. Exempt from OSHA special handling & personal protection requirements for hazardous materials. Safer than caustic cleaning solvents and citrus-based cleaners.

- Optimized for versatile floor scrubbing in a wide variety of facilities
- Unscented
- Clean-rinsing, Easily extracted
- NSF registered A1, A2, A4, A8, B1 and C1
- PPE not required

SIMPLE GREEN® INDUSTRIAL CLEANER & DEGREASER

Powerful all-purpose cleaner and degreaser that provides a safer alternative to toxic cleaners, bleaches & solvents. The concentrated formula is orally non-toxic, non-abrasive and non-corrosive, and removes heavy dirt, grease, machine fluids, residue and stains from any washable surface with a deodorizing sassafras scent.

- Easily and economically diluted for use in floor scrubbers
- Contributes toward satisfying Credit EQc3.3 under LEED®
- PPE not required

EQUIPMENT

WHY USE PRODUCT DILUTION SYSTEMS?

Automatic dilution systems not only help eliminate waste, they ensure the correct amount of chemical is used for the cleaning task at hand, improving cleaning effectiveness.

Using a concentrated product reduces frequency of replenishment, transportation fuel & packaging materials. These factors ultimately result in increased cost savings & reduced greenhouse gases.

SECONDARY LABELS

- Durable, OSHA compliant labels for all secondary containers

WIRE RACKS

- Assures product security, preventing theft and tampering

MULTI-DILUTION FOAMER

- 14 dilution settings that can be chosen from color coded metered inserts, with easy hose attachment for quick transition from cleaning and sanitizing to rinsing

SIMPLE GREEN® 4+1 SELECT OR SINGLE PRODUCT PROPORTIONER

Easy & accurate product dilution systems available in low flow (1 GPM) & high flow (3.5 GPM) models.

- American Society of Safety Professionals (ASSP) 1055 approved
- Includes 15 metering tips & 4 ft. bucket-fill hose
- Option to lock in the “on” position
- Easy, tool-free maintenance
- Compatible with Simple Green Product Wire Racks
- AccuPro Pressure Regulation Technology provides accurate dilutions regardless of fluctuations in water pressure

SIMPLE GREEN® 30 OR 60 GALLON PARTS WASHER

Made of heavy-duty industrial grade polyethylene plastic, the Simple Green 30 and 60 Gallon Aqueous Parts Washer includes a stainless steel work shelf, Flexible Loc-Line® nozzle and flow-through brush with polyester filaments for parts scrubbing.

- Fixed thermostat is preset to deliver optimal cleaning temperature of 105°F
- Clean-out plug and convenient spin-on canister filter for easy draining and maintenance
- 19–25 and 45–60 gallon fluid capacity
- GFCI protected with separate heater and pump switches with on/off indicators

SIMPLE GREEN® 80 GALLON PARTS WASHER

The Simple Green 80 Gallon Aqueous Parts Washer is made of stainless steel construction for long term, heavy use.

- 3,000 watt heater and adjustable agitation speed
- Spring-loaded door closure with 165 °F fusible link safety feature
- Flow-through brush system provides touch-up precision cleaning capability
- 250 lb load capacity and auto drain
